Below is a list of guidelines for your weekly trash service:

- All trash must be in trash bags. We will pick up out of trash cans as long as everything in the cans or in trash bags. If you have cardboard boxes, they do not have to be bagged, but they must be broken down and bundled. The bags must be placed roadside by 7:30 am on your day of service. The driver can come through anytime after that and his timing may vary from week to week.
- There is a six (6) bag limit per week (30-35 gallon bags) with a maximum weight of 30 pounds per bag.
- Only normal household garbage can be picked up – i.e. no brush, wood products, lumber, sawdust, grass clippings, construction/remodel debris, roofing/building materials, metal, bulky items (tires, furniture, appliances, carpet, etc.), liquid waste (oil, paint, grease, etc.), hazardous material (car batteries, pool chemicals, etc.)
- Cardboard boxes are the exception. We do accept them and they don't have to be in bags, but we do ask that they be broken down and bundled.
- The cost of the service is \$23.50 per month + tax (6.75%). We have you prepay quarterly, so the cost would be \$75.26 every three months. To begin service, we need to receive your first quarter's payment along with the name you want your account under, your physical address, your mailing address (if it's different), the county you are in and a phone number. We currently accept cash, checks and money orders.

If you have any questions, please contact us at 979-822-5826.
